from the Savannah River Site

Modification Submitted

DOE requests RCRA permit modification for Mixed Waste Management Facility

The U.S. Department of Energy (DOE) - Savannah River Operations Office has submitted to the South Carolina Department of Health and Environmental Control (SCDHEC) a modification to Savannah River Site's (SRS) 1992 and 2000 Resource Conservation and Recovery Act (RCRA), Part B Permit Renewal Applications for Volume VII, Mixed Waste Management Facility.

This revision contains the Corrective Action Plan for the Southeast Plume Area and proposed changes to the Corrective Action Plan and the Volatile Organic Compound Characterization Field Summary Report for the Southwest Plume Area of the Mixed Waste Management Facility

This notice begins a 60-day comment period. More information, including the actual permit application, is available for review and copying at the DOE Public Reading Room located in the University of South Carolina-Aiken library, or by contacting personnel listed to the right. The permittee's compliance history during the life cycle of the permit being modified is available from the Agency contact person.

A public meeting will be held November 27 at 3:00 p.m. at the Aiken County Public Library. Representatives from SRS will be available to answer questions.
